Profile Summary

I am a passionate and experienced Soft Skills and Career Development Coach with over a decade of experience empowering individuals across educational institutions, government bodies, and corporate platforms. I specialize in helping learners and professionals navigate their personal and career challenges through structured training, empathetic coaching, and holistic development strategies. My mission is to enable individuals to become confident, self-aware, and emotionally intelligent contributors to their workplaces and communities.

Coaching Niche Areas

- **Career Guidance & Planning**
Helping students and early-career professionals discover their career paths, set achievable goals, and make informed decisions through personalized counseling and industry-aligned mentorship.
 - **Stress & Emotional Management**
Facilitating sessions that build resilience, reduce anxiety, and promote emotional intelligence using practical exercises, group discussions, and mindfulness strategies.
 - **Study Skills & Learning Strategies**
Equipping students with efficient study techniques, time management practices, and motivation tools to enhance academic performance.
 - **Confidence & Communication Skills**
Conducting interactive workshops to improve verbal and non-verbal communication, public speaking, body language, and self-presentation skills for both personal and professional settings.
-

Core Coaching Competencies

- Training Design and Delivery
- Skill Development & Employability Coaching
- Train-the-Trainer Programs
- Workshop Facilitation
- Mentoring & Motivational Speaking

- Hospitality & Corporate Etiquette Training
 - Life Skills and Emotional Wellness
-
