

Madhuparna Dasgupta

Freelance HR Consultant, Career Coach & Mentor

My career, built on a foundation of 25 years in Human Resources, is a testament to my unwavering commitment to lifelong learning. My MBA provided essential knowledge, but it's the practical application and continuous exploration that have truly shaped my understanding of organizational dynamics and human behavior. As an HR Consultant, Soft Skills Trainer, and Career Coach, I'm driven to empower both individuals and organizations.
